something

BIG

Join Australia's fastest growing electrical contractor association and reap the rewards.

Master Electricians Australia (MEA) is a dynamic and modern trade association recognised by industry, government and the community as the electrical industry's leading business partner, knowledge source and advocate.

As a growing not-for-profit association, our members are our sole reason for being. We aren't here to improve our share price (because we don't have one). We simply focus on giving our members value and we want them to succeed! It's the reason our association was formed in 1937 and why MEA still exists to this day.

OUR SERVICES AT A GLANCE

Expert technical hotline

Gain access to our renowned national technical hotline for assistance with standards, safety and compliance.

Workplace relations hotline

Our expert Workplace Relations Team can provide you with specific advice regarding interpretation of awards and legislation, employment procedures and dismissals, contractual matters, industrial relations, as well as negotiation assistance and representation.

Training and education

Our training aims to maximise your greatest asset – you and your staff – with our high quality, industry-relevant training.

Industry representation

We are Australia's leading electrical industry lobbying association, continually pushing governments and stakeholders on critical issues affecting our industry.

News and information

Members are kept up-to-date with the latest developments and industry news through our comprehensive suite of membership publications.

Members only website

Our exclusive member's only website is constantly being updated with relevant information. Instantly access useful templates, fact sheets and guides.

Brand recognition

The Master Electricians brand is recognised by the public as a brand they can identify with and trust. Members use the Master Electricians member logo in advertising, stationery, uniforms and vehicles.

Apprenticeship management

ApprenticeConnect allows you to indenture an apprentice that suits you and your business, without having to manage the complex paperwork and administration associated with apprenticeships.

Safety management system

Master Electricians SafetyConnect is a sophisticated Health, Safety, Environment/ Energy and Quality (HSEQ) system and has been designed specifically for electrical contractors by electrical contractors.

GROUP BUYING POWER

Access to exclusive offers designed to save you time and money with our range of commercial partners, including:

- ✓ **Fleet program:** Members can be assured the best deal on a range of vehicles across major brands.
- ✓ **Fuel cards:** Obtain fuel from multiple providers on one simple monthly bill.
- ✓ **Insurance and health cover:** Tailored insurance cover to protect your business and personal needs.
- ✓ **Legal assistance:** Members receive specialist building and construction industry legal advice from MEA's legal partners. The first 20 minutes of the first consultation is completely free-of-charge.
- ✓ **Salary packaging and novated leasing:** Members can offer salary sacrifice options to their employees with reduced salary packaging fees.
- ✓ **Publications and stationery:** Receive discounts on a range of business stationery, forms and guides specifically designed for the electrical industry.
