CUBA WALL/ COLUMN MOUNTED LUMINAIRE

Optical Performance

Cube can deliver balance, symmetry and a sense of proportion to an exacting space. The superb optic performance provides crisp delineation enhancing details or can simply create interesting geometric effects to plain facades.

User Flexibility

By integrated design Cube presents a variety of beam configurations combined with the possibility to orientate Cube axially through 360° further enhancing the creative possibilities. Additional application possibilities are opened up by Cube's IP44 rating extending usage to those areas susceptible to water moisture or splashing.
