Made in China

T

Product Identification

WHERE SOLD: These items were sold through Lighting Retail showrooms and Electrical Wholesaler outlets nationally.

DEFECT: When the diffuser (lamp cover) is removed from the fan access to live parts is possible if the ceiling fan light is turned on.

HAZARD: Risk of electric shock.

ACTION REQUIRED: **DO NOT REMOVE the lamp cover.** There is no need to remove the fan from ceiling. Consumers should register their product with the Mercator warranty department who will arrange for the installation of a safety cover by a qualified electrician at no cost to the consumer.
