LEDVANCE® Floodlight LED

LEDVANCE® Floodlight LED

The LEDVANCE® Floodlight family comprises eight luminaires in four wattages (10W, 20W, 30W, 50W) and two light colors (3000K, 6500K), achieving a luminous flux of up to 4500 lumens. They are weatherproof (IP65) and have a impact resistance of IK07. These LED outdoor luminaires have a frosted, tempered glass cover and a housing made of premium grade polycarbonate plastic.

Product name	Product Code (EAN)	Colour	V	W	lm	CRI	lm/W	K	°	t[h]	Dimensions L x H x D [mm]	Guarantee [years]*
