A CHANCE TO WIN AND A CHANCE TO HELP

www.eeiba.org

Registered Charity No. 1012131

Win £1000 with Transformer

EEIBA PRIZE DRAW CLUB

By taking part in the Prize Draw you are not only giving yourself a chance of winning our top prize of £1000, 2nd prize of £500, 3rd prize of £100, and 4th and 5th prizes of £50, but you'll also help enable EEIBA to give help where it is needed.

All profits go to EEIBA

EEIBA is your industries charity. We provide information and advice, regular financial support, mobility equipment and sheltered housing. We depend totally on the generosity of people like you to be able to provide these services to those who need them.

Fill in the form NOW!

By joining EEIBA's Transformer Prize Draw Club, you will be making a valuable contribution to the charity, and you could also win the top cash prize of £1000, which has to be won.

Join to win! It's so easy . . .

Whether you are currently employed or retired from the electrical/electronics industries, you are eligible to take part in the Prize Draw. Those linked to the industry are also welcome to join for a chance to win the guaranteed £1000 prize drawn every month. Each entry into the draw costs just £1 per number. The lucky winners are chosen at random by computer on the last Friday in every month. As soon as you join EEIBA's Transformer Prize Draw Club, we will allocate you your own unique lottery number/numbers.

A list of winners will appear in our newsletter 'Positive News' which you will receive regularly, and also on our website, so you don't even have to make a claim!

SUPERDRAW
Win a CAR!

In 2005 the EEIBA will be 100 years old. To celebrate our special birthday, the Transformer Prize Draw Club has launched its new annual SUPERDRAW, where you could win a brand new Peugeot 206 Zest! To be eligible for entry into the SUPERDRAW you must have a minimum of 5 current Transformer Prize Draw lottery numbers. If you have less than five numbers, now is the time to increase your chances of winning £1000 each month. As well as a brand new car. The Superdraw will take place in December 2005.

Who the charity helps

Current and retired employees of the electrical and electronics industries, including allied sciences and mechanical engineering

Approximately 1000 new cases are received each year. Over £1 million is given out annually to help those less fortunate.

Jack Fox's dad used to work on electricity pylons. He had to give up his job to look after Jack (pictured) who has special needs. He also now has a young daughter and the family struggled to make ends meet. EEIBA has given financial support to help them through this difficult period.

Profits

50% of all monies received goes to EEIBA and the remaining 50% goes in cash prizes. These prize amounts will grow as the membership increases. All of the profits made from EEIBA's Transformer Prize Draw Club will be used to help support current and retired employees and their dependents from the electrical and electronics industries who find themselves in need.

Positive help by people, for people in YOUR industry

APPLICATION FORM APPLICATION FORM APPLICATION FORM APPLICATION FORM APPLICATION FORM

How to join and WIN £1000

- 1) complete the application form
- 2) tear off and seal
- 3) post to the address overleaf (no postage required)

Number of chances

Please **CIRCLE** the appropriate number of **£1 chances** you would like us to allocate to you.

How many chances do you want?

1 2 3 4 5
6 7 8 9 10
11 12 13 14 15
16 17 18 19 20

For example, if you circle number 10 this will cost £10 per month and we will give you 10 unique Transformer lottery numbers which will be sent to you after receipt of your application form and when payment starts.

Cost for a single chance is £1 per month.

The more numbers you have, the better your chances of winning.

Please tick here if you do not wish your name to be printed if you win. ☐
