

A-LINE LED POLE MOUNT

The **A-Line LED Pole Mount** is a high quality, low maintenance multi-purpose pole mounted industrial luminaire.

IP65

Class I

A-Line LED Pole Mount

Specification

- Body - extruded aluminium with die-cast ends and powder coated (white)
- Fixings - nickel plated brass screws
- Lens - high impact and UV stabilised acrylic
- Beam type - symmetrical wide beam
- Driver - integral (ETRC)
- Mounting - pole
- Installation - tapped entry for 20mm gland
- Maintenance - removable gear tray hangs on safety straps for easy maintenance
- Terminal block - fused with quick release terminal connector

Special Features

- Construction materials, smooth exterior and captive assembly ideal for food industries
- In hot and arduous conditions the body draws heat away from the control gear for longevity
- EMC Compliant - product complies with all provisions set out in AS/NZS CISPR 15:2011

Applications

- Ideal for use in heavy industrial or mining locations, typical applications include agri-food, conveyor lighting, processing plants and tunnels

Measurements & Weights

Technical Data

20W LED

LED Characteristics Explanation www.eyelighting.com.au/led-characteristics

Product Type	Colour Temp. (K)	Ra	Life (hrs) L70/B10	P/U	R/Rx	Driver Efficiency (%)	Power Factor	Efficacy (lm/W)
20W LED	4,000	80	60,000	P	R	>85	>0.95	97.9

Product Range

	Code	Description	ℓm	LED	Driver	Distribution
LED	186705	A-Line LED Pole Mount	2377	20W - LED	Integral	Symmetrical Wide Beam
