## Sample walls

# Exemplary product presentations

In sales, a tidy and well-arranged product display counts for everything. However, the requirements vary enormously depending on the sector and available space. Whether it is for a dedicated self-service display, a 1 m or 3 m wall or secondary display – let yourself be inspired by our designs. We will be happy to assist you in planning and in product selection.

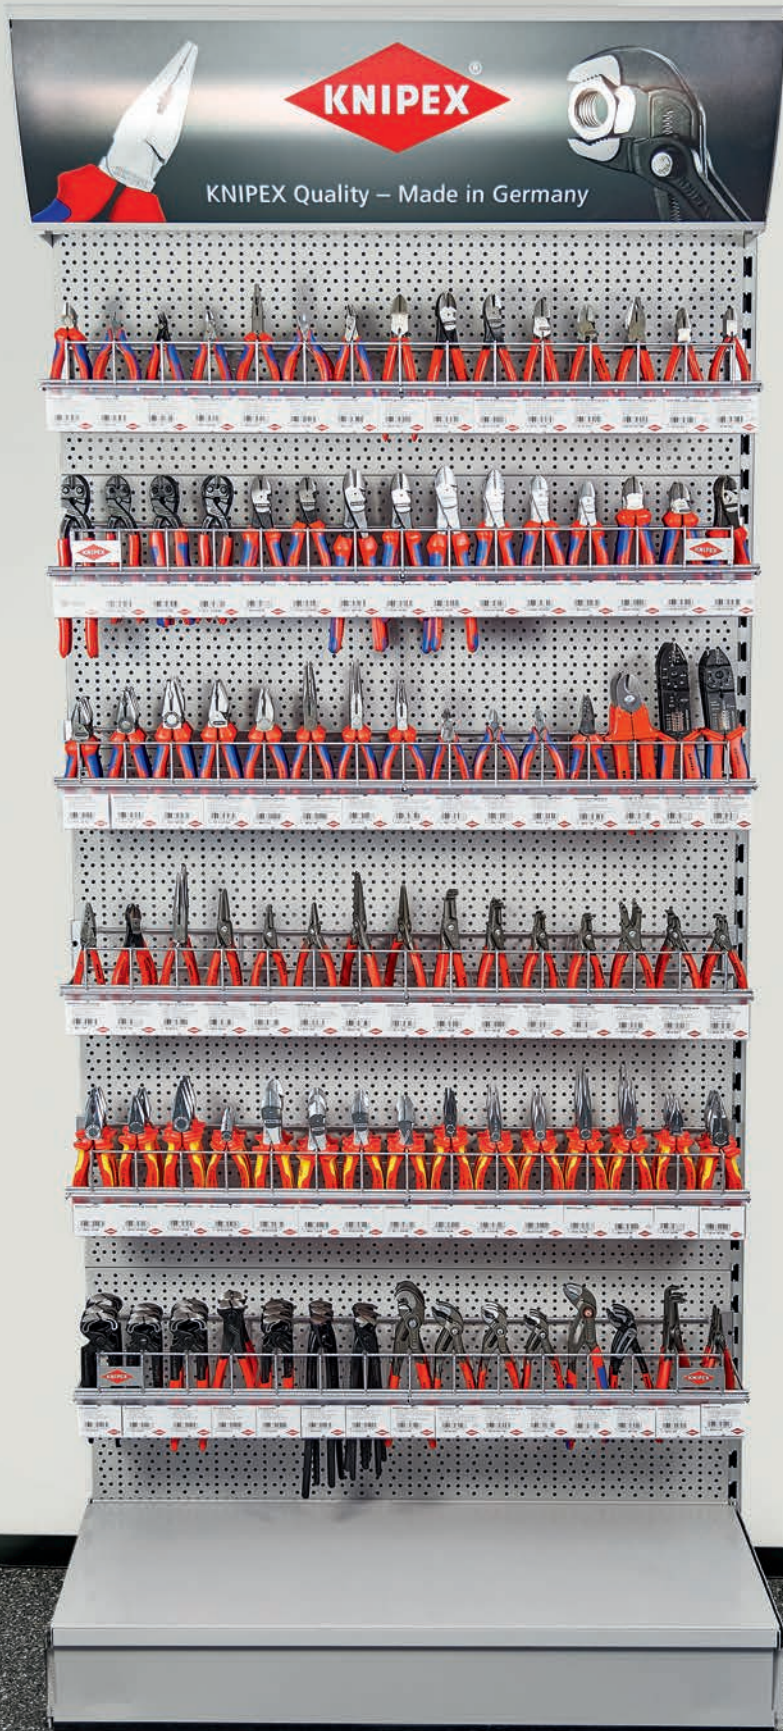

## KNIPEX core products for perforated wall panels 3 m width

Solutions with plier holders, self-service products and a product sliding panel for presentation that stands out

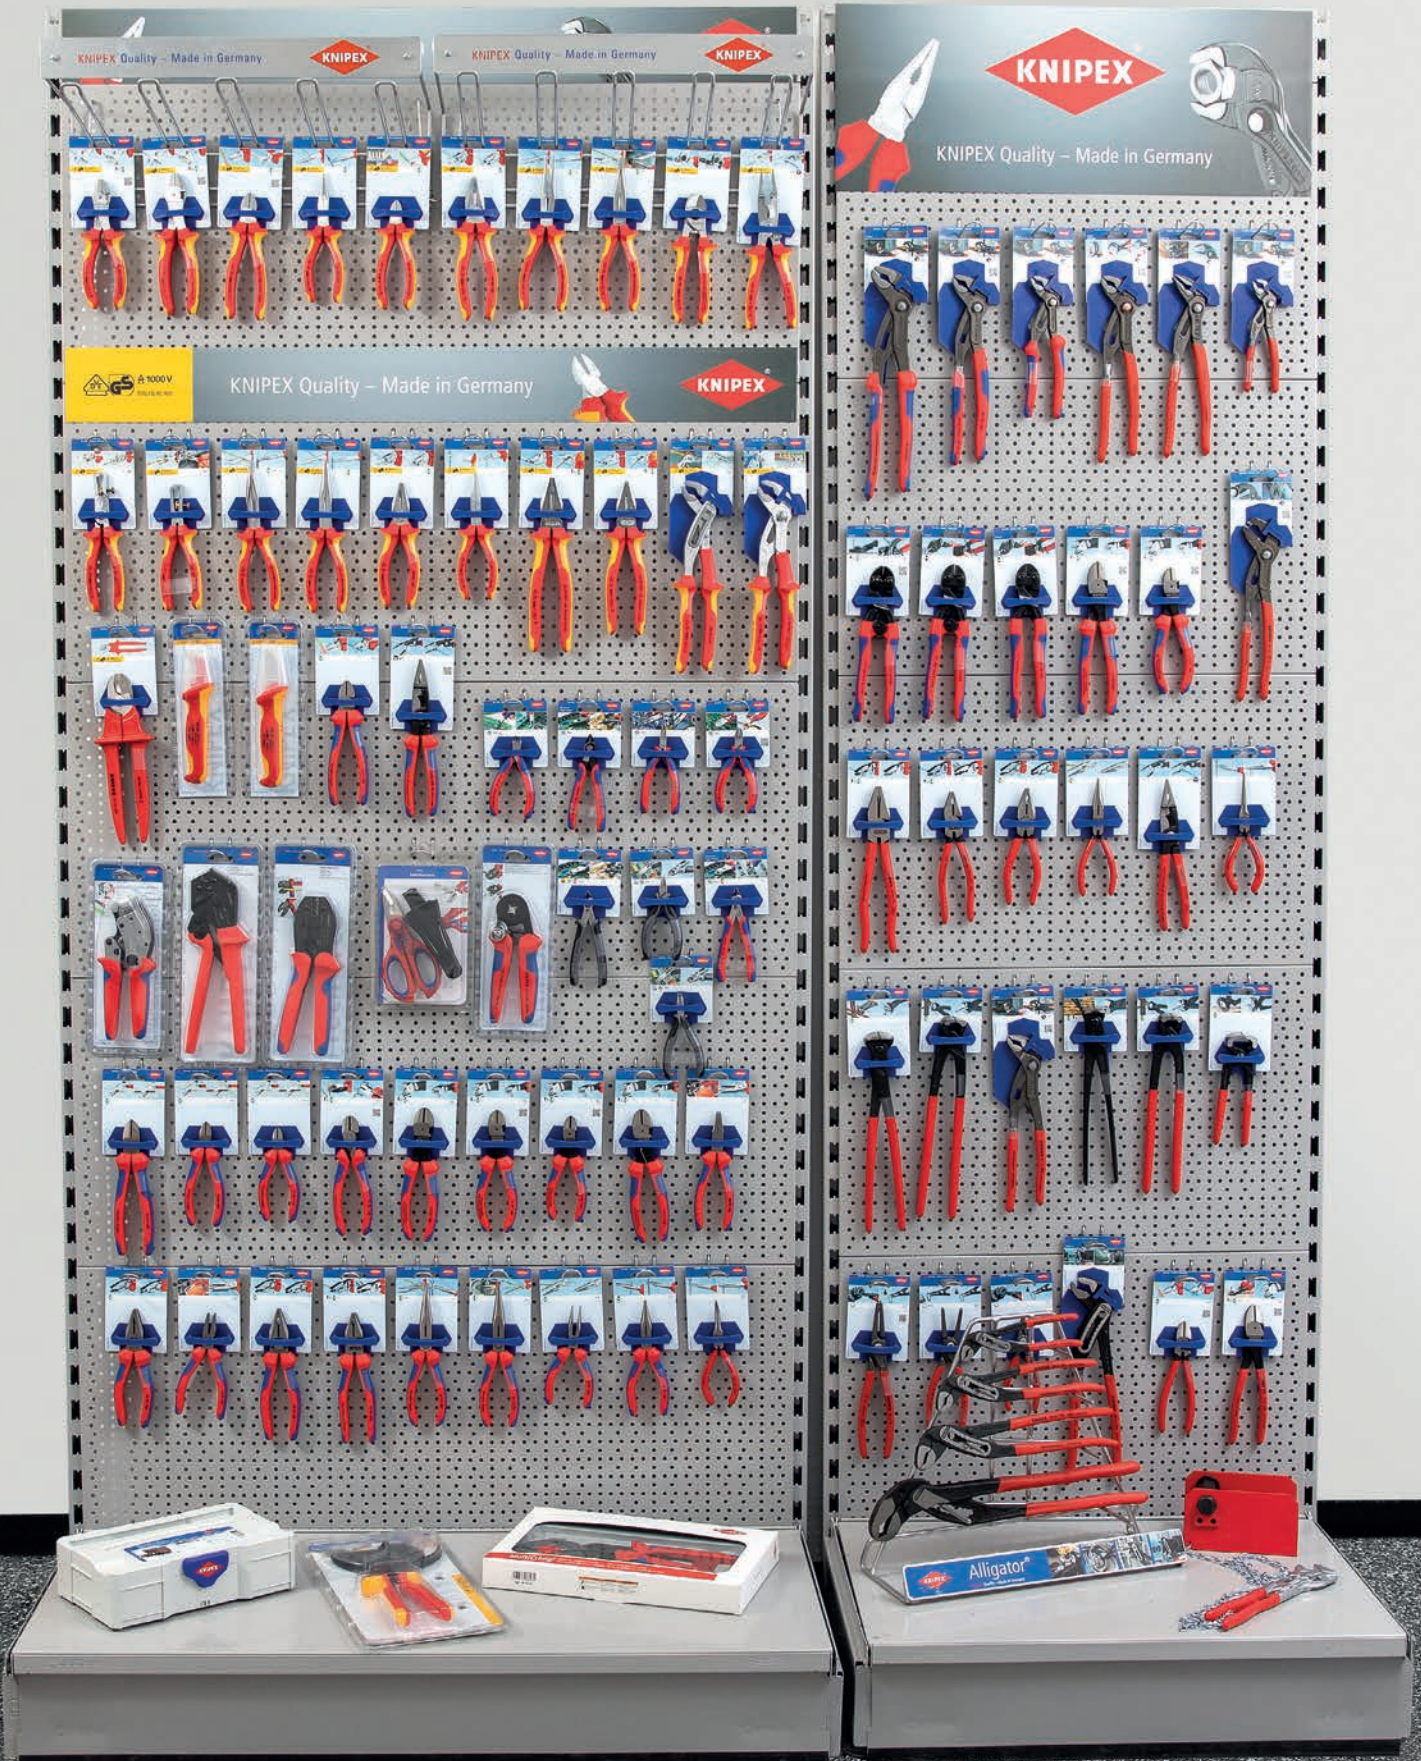

**KNIPEX core products for perforated wall panels 1 m width only with plier holders**

**Secondary placement with self-service assortment**

KNIPEX core products for perforated wall panels 1/0.66 m width  
Solution with self-service products

## KNIPEX POS assortment

# Numerous possibilities

With our display solutions, you can easily boost your sales. Choose from Tegometall walls, glass display cases, illuminated boxes and accessories such as shelf stoppers, perforated panel hooks, secondary stands or displays.

KNIPEX POS materials will bring long-term benefits. They can be ideally adapted to your available space, and installation is quick and easy. Use the selling aids to create an attractive display for your range of KNIPEX products.

You can find an overview of all KNIPEX POS materials on the following pages.

KNIPEX Quality – Made in Germany

## Perforated wall panels & Accessories

The basis for displaying products – in the size you need it

### 1. Perforated wall panel 1 m width, empty

A solid basis for your display. The 1 m wide perforated wall panel without lighting, hooks, pliers or magnets. Height: 2.20 m

Article no.: 00 19 30 3

### 2. Perforated wall panel 0.66 m width, empty

The narrower variant accentuates the best in KNIPEX products. Lighting, hooks, pliers and magnets not included. Height: 2.20 m

Article no.: 00 19 30 66

Additional models:

#### Perforated wall panel 1.25 m width

The extra-wide perforated wall panel offers extra space for the KNIPEX range. Lighting, hooks, pliers and magnets not included. Height: 2.20 m

Article no.: 00 19 30 23

#### Lighting unit 1.25 m width for perforated wall panels

Lighting unit including KNIPEX shades and lamps for 1.25 m wide perforated wall panels.

Article no.: 00 19 30 24

### 3. 1 m wide perforated wall panel, lighting unit with KNIPEX shades and lamps included

Perforated wall panel and lighting unit all in one. The 1 m wide unit provides the ideal backdrop for your display. Hooks, pliers and magnets not included. Height: 2.20 m

Article no.: 00 19 30

#### Lighting unit 1 m width

A real eye-catcher: separate lighting for 1 m wide perforated wall panels. KNIPEX shade and lamps included.

Article no.: 00 19 30 2

### Our tip:

Three different widths of perforated wall panels, ranging from 1/0.66 m to 1.25 m, let you flexibly adapt the display to the space available at the POS.

## Wall attachment

00 19 34

1.

## Display for self-service articles

00 19 34 1

2.

3.

Shelf bottom for perforated wall panels

00 19 30 V08

## 1. Wall attachment, empty

This practical wall attachment is just the thing for mounting Tethered Tools. It provides little hooks for the suspension of tools.

Article no.: **00 19 30 V09**

+

The suitable magnet to our fall protection for the front side is optional. See page 36.

1.

## 2. Display for self-service articles, empty

Arranging self-service items perfectly is easy with the special wall display. It comes with five hooks for pliers on self-service cards. For up to 40 pliers on self-service cards or in a blister pack, depending on the size.

Article no.: **00 19 34 1**

2.

## 3. Shelf bottom for perforated wall panels

Space to hang. The small handy shelf can easily be fitted on the Tegometall wall. Measuring 30 x 20 cm, these shelves offer plenty of space for displays and everything that cannot hang.

Article no.: **00 19 30 V08**

3.

## 4. Shelf bottom additional models

The large shelf, including a console, also lets you display tool cases and bags on perforated wall panels.

**Shelf bottom 1.25 m width**

Article no.: **00 19 30 V11**

**Shelf bottom 1 m width**

Article no.: **00 19 30 V10**

**Shelf bottom 0.66 m width**

Article no.: **00 19 30 V12**

4.

## All-purpose holders

Whether for pliers, brochures or screwdrivers – there is a place for everything in our holders.

### 1. Plier holder for 5 x 6 pliers, empty

This holder provides storage space for up to 30 pliers.

Article no.: 00 19 34

### 2. Plier holder for 3 x 6 pliers, empty

Just the right solution for small items or when space is tight. This holder provides storage space for up to 18 pliers.

Article no.: 00 19 32

### 3. Plier holder for 15 x 6 pliers, empty

Show your customers the wide range of KNIPEX products – up to 90 pliers can fit in this plier holder for a 1 m perforated wall panel.

Article no.: 00 19 34 2

### 4. Wire hook for TANOS MINI-systainer®, empty

This light wire holder gives the TANOS MINI-systainer® a prominent place on the perforated wall panel. TANOS MINI-systainer® not included in delivery.

Article no.: 00 19 33 4

### 5. Metal box for the 00 19 33 4 wire holder, empty

Everything neat and tidy: the metal box fits perfectly in the wire holder and provides optimum storage space for loose items.

Article no.: 00 19 36 V01

### 6. Brochure holder for perforated wall panel, empty

The light A4 brochure rack lets you place information material right next to the product.

Article no.: 00 19 36

### 7. Display for screwdrivers, empty

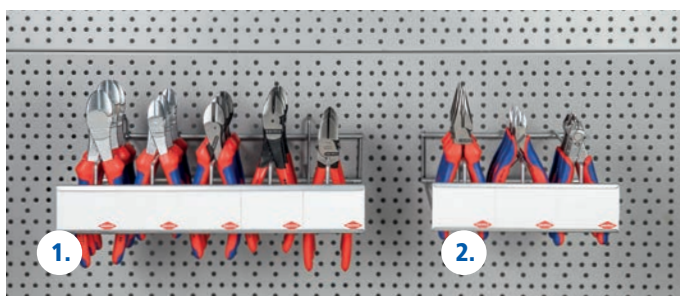

Four different screwdrivers at a glance thanks to this practical wall display. For up to 6 screwdrivers per hook, depending on size.

Article no.: 00 19 34 6

### 8. Wall display wide, empty

The extra-wide wall display is ideal for crimping pliers.

Article no.: 00 19 34 V01

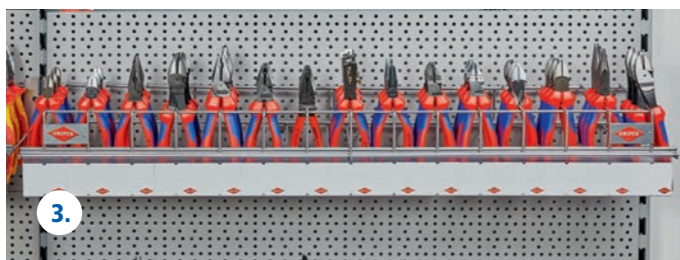

1.

2.

#### Our tip:

Use the small plier holder if space is tight or as a handy way to cover over small areas and gaps.

3.

#### Additional model:

Need a bit more space? Then take a look at the large solution for 18 x 6 pliers. Designed for the 1.25 m perforated wall panel, this plier holder provides space for up to 108 pliers.

KNIPEX Quality – Made in Germany

## Test supports and demonstration kits: Show what KNIPEX can do

When you use our range of test stands and demo products, potential buyers take KNIPEX products into their own hands. That way, they can see and feel the high quality of our pliers for themselves. Let the customers try out KNIPEX Products. They will sell themselves on the ergonomics and power of the tools and customers will gladly snap them up! Test stands and demo kits make KNIPEX products tactile in the truest sense of the word.

2.

Test stand with KNIPEX Cobra®  
on a chain

00 19 21 51

**1. Test stand with KNIPEX Cobra®  
on a chain**

Safe and secure. The sales stand with a chain and a KNIPEX Cobra® 87 01 250. Ideal for demonstrating the self-locking effect of the KNIPEX Cobra®.

Article no.: 00 19 20 51

**2. Test stand for the KNIPEX Alligator®  
and KNIPEX Cobra®, empty**

The test stand demonstrates the self-locking function of the KNIPEX Alligator® and KNIPEX Cobra® water pump pliers, which prevent slippage on the workpiece. Pliers not included in delivery of the test stand.

Article no.: 00 19 20

2.

**3. Test stand for the KNIPEX Alligator® and KNIPEX Cobra®, empty**

A further option for demonstrating the self-locking function of the KNIPEX Alligator® and KNIPEX Cobra® water pump pliers. Foldable – easily stowed and ideal for travel.

Article no.: **00 19 20 T**

**4. Test stands with a Pliers Wrench on a chain**

Robust test stand including a pliers wrench 86 03 250 secured on a chain.

Article no.: **00 19 21 S1**

**5. Test stand for Pliers Wrench, empty**

Practical test stand that can be attached to the wall. It can be used to demonstrate the ratchet principle of the pliers wrench. Pliers not included in delivery.

Article no.: **00 19 21 T**

**6. Hand-held testing device for the KNIPEX Alligator®, Pliers Wrench and KNIPEX Cobra®**

Typical KNIPEX: one tool, everything in hand.

Article no.: **00 40 04**

Additional model:  
**Hand-held testing device with pliers wrench 86 03 250 on chain**  
Article no.: **00 40 04 S1**

**7. Demonstration kit for Circlip Pliers**

Practical demo kit – small and compact.

Article no.: **00 40 01**

**8. Demonstration kit for Multiple Slip Joint Spanners**

Compact demo kit for the multiple slip joint spanner 87 41 250.

Article no.: **00 40 02**

**9. Demonstration kit for Hose Clamp Pliers**

Practical and handy demo kit for hose clamp pliers 85 51 250 C.

Article no.: **00 40 07**

Additional model:  
**Demonstration kit for Spring Hose Clamp Pliers**  
Article no.: **00 40 08**
