

METALCLAD™
PRO RANGE

PREMIUM DURABLE WIRING ACCESSORIES

SUPERIOR ♦ TOUGH ♦ SECURE

CLICK®
ScolmoreGROUP

Designed with
you in mind.

Meet Metal Clad Pro

A robust new range of durable, stylish wiring accessories built to withstand the demands of everyday use. Designed with a sleek, curved profile with matching back box profile, Metal Clad Pro combines modern aesthetic with our latest innovations for secure, long-lasting performance in any environment.

06

Switches

A comprehensive range offering style and functionality for every need.

10

Socket Outlets

Durable and elegant solutions for powering your spaces with ease.

14

Modular Plates

Designed to complement modular switches for a clean, adaptable finish.

18

Fused Connection Units

Combining safety and performance for controlled power management.

20

Surface & Blank Boxes

Reliable and versatile options for secure and tidy installations.

23

Unicrimp Fixings

Ancillary products designed to streamline and simplify installations.

Designed With You in Mind.

All Metal Clad Pro products are available in two striking finishes 'Metal Clad Grey' & 'Polar White'.

Metal Clad Grey

The grey variation of Metal Clad Pro products provides a sophisticated, neutral tone that adds a contemporary touch to any space. Its durable finish offers both style and functionality, blending seamlessly with a range of interiors.

Polar White

The Polar White variation of Metal Clad Pro products offers a crisp, clean aesthetic that brightens any space. Its timeless design complements both modern and classic interiors, delivering a sleek and refined look. Combining style with the durability and performance expected from Metal Clad Pro, Polar White is the perfect choice for a fresh, painted finish.

Flush to Back Box

For a curved profile with matching back box for a precise, seamless fit and sleek aesthetic.

Ingot Style Socket T Piece

Socket Outlets (excluding Round Pin) now feature modern 'Ingot' style socket pins.

Safety Shutter Sockets

Ensures all outlet pins are engaged correctly before the shutters open for more protection.

Customisable Configurations

Integrating seamlessly with MiniGrid®, GridPro® and New Media™ allowing tailored configurations.

New Insert Shapes

FCUs and 20A switches now feature a modern insert design reducing visible white plastic.

LED Indicators

Used as standard to achieve a brighter, more modern method of indication.

Updated FCU Design

Revamping the range to include new features for a premium, better performing product.

20 Year Warranty

All Metal Clad Pro products include a 20 year warranty for peace of mind.

Switches

Our switches combine style and functionality, offering reliable solutions for every application. Perfect for both residential and commercial settings.
