

KOPEX

PRICE LIST
effective from
4th April 2005

Kopex - The Engineer's Choice

Kopex has long been recognised as the engineer's choice for flexible and pliable conduits, and now more than ever the range offers solutions for even the most demanding installations. Within this price list and our other literature you will find details of the specialist conduit systems Kopex can offer including:

- ATEX and UL approved flameproof barrier glands
- A full Stainless Steel conduit system
- The broadest range of Pliable conduits, all with EMI screening.
- Screenforce, a dedicated range of screening solutions using flexible and pliable types for nearly all applications and environments.
- Approvals for UL, CSA, MOD and many more

Only Kopex offers all these specialist products as well as standard conduit and fittings!

New UK Accredited Specialist Network

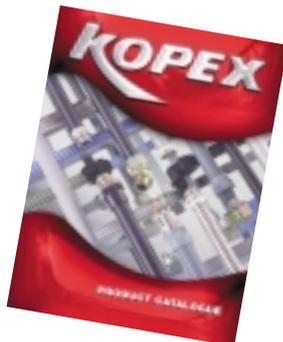

Kopex products are now available through a UK network of Accredited Specialist distributors. The range of products held is wider than before providing the opportunity for stocked solutions for specific market solutions. Such demanding environments that deal with hazardous areas, hospitals and healthcare, food and hygiene, MOD and Shipbuilding all require high specification and dedicated conduit applications.

Ordering Advice

- Prices stated are per the quantities shown, except where noted.
- When ordering fittings please order the number of actual fittings required, not the number of packs.
- Where products are marked POA please contact us for prices and details of any minimum order quantities or values.
- The Kopex Sales Office can confirm availability and lead times. Please call **01753 502500** or email sales@kopex.co.uk for further details.

At Kopex we make every effort to make our literature as easy to use as possible, and as with previous Kopex Price Lists it features:

- Full colour pictures to help identify your selected products
- Product descriptions to help choose the right product
- Colour coded product sections and page numbers in the Contents list for quick cross-referencing with the Kopex Catalogue
- Full easy to use index to help find your chosen products

We hope it makes using the price list easier, quicker and clearer.

You will find details of all our products, including technical data, in the Kopex Product Catalogue and Short Form Product Guide, or online at www.kopex.co.uk

The Kopex Sales Office can be contacted at the following:

Sales Tel: 01753 502 500 **Sales Fax:** 01753 693 521

Terms & Conditions

VALIDITY

Unless other terms and conditions are expressly accepted by us by a written amendment to these terms and conditions signed by one of our Directors and referring specifically to the term or condition to be amended the Contract will be on the terms and conditions set out below (together called the Contract Terms) to the exclusion of any other terms and conditions whether or not the same are endorsed upon delivered with or referred to in any purchase order or order document delivered by the Buyer to us. Any reference below to any other specification or like document will not be deemed to imply that any terms or conditions endorsed upon delivered with or referred to in such order specification or like document will have effect to the exclusion or amendment of the Contract Terms.

ILLUSTRATIONS, DESCRIPTIVE MATTER AND DIMENSIONS

The Buyer is not to rely on any illustrations, descriptive matter and dimensions contained in any of our brochures or catalogues as statements or representations of fact and they will not form part of the Contract nor be regarded as a warranty or representation. We will not accept any responsibility or liability for any inaccuracy contained therein unless the Seller has specifically and expressly accepted responsibility therefore in writing in which case in the event of any inaccuracy in such statement, the Buyer will have the benefit (subject to the conditions) of the Assurance as if the goods were defective in material or workmanship. All conduit is measured lightly tensioned.

PRICE VARIATION

The Seller reserves the right to vary prices and discounts at any time before a contract is formed, and if there is a variation in price which would result in a Buyer's order as a whole costing more than would otherwise have been the case, the Seller will give the Buyer notice thereof. Thereafter, the quoted price for the goods may be varied by additions upwards by the Seller in accordance with market conditions at the date of actual supply and the Buyer shall pay such additions in addition to the quoted price. Without prejudice to the generality of the foregoing market conditions shall include any increase in the cost of labour and/or materials and/or transport. Prices (including delivery charges) and discounts quoted are applicable to the quantities and delivery amounts specified and if these are altered the Seller shall be entitled to adjust the said prices and discounts to those applicable to the altered quantities and/or delivery amounts. All prices exclude VAT.

MINIMUM CHARGE

Minimum order values, minimum charges and carriage costs will apply. Details will be provided by the Sales Office. Orders that qualify are inclusive of standard carriage method.

PAYMENT

The price is payable upon delivery. Payment will be made by the end of the month next following the month in which each invoice is sent to the Buyer. All payments are strictly net, and are to be made on or before due date as a condition precedent to future deliveries.

The Seller shall be entitled to charge interest at an annual rate of 5% above Lloyds Bank PLC base rate from time to time which interest will accrue daily and be calculated on a daily basis on overdue accounts from the date of invoice until payment. Notwithstanding any Contract Term allowing the Buyer credit, payment shall become due and payable to the Seller immediately upon the termination of the Contract. The time of payment of the price shall be of the essence of the contract between the buyer and the seller.

QUOTATIONS

Any quotation given by the Seller is given on the basis that no contract will come into existence until the Seller has accepted the Buyer's order.

Any quotation made by the Seller on a fixed price basis is valid for a period of 30 days only from the date of the quotation provided that the Seller has not previously withdrawn it, unless agreed otherwise.

PACKING

Goods will be packed in suitable containers for which no charge will be made. However, where (at the request of the Buyer) large or special packing cases are used an appropriate charge will be made.

DELIVERY

We will endeavour to deliver the goods within the time agreed or if no time is agreed within a reasonable time but delayed delivery will not entitle the Buyer to cancel the order, unless such delay exceeds 60 days, and in no circumstances will we be liable for any loss or damage of any kind whatsoever caused directly or indirectly by any delay in the completion of the Contract or the delivery of the goods. If for any reason whatsoever the completion of the Contract or the delivery of the goods is in our opinion rendered impractical we may terminate the Contract by sending by ordinary post or by delivering to the Buyer a Notice in writing to that effect. Thereupon the Buyer will pay to us such a sum as will together with any sum paid previously bear the same proportion to the Contract price (including any variation hereof) as the goods delivered bear to the goods contracted for and such termination shall not give rise to any claims by the buyer.

We will be entitled to make delivery of the goods by installments.

The Seller may in the case of a request to defer delivery of all part of a delivery, do so, but the Seller may invoice the goods involved as if they had been delivered charging for split delivery if appropriate. No claim for damages or shortages will be considered unless we and the carrier are advised in writing within 10 days of invoice date and no claim for non-delivery will be considered unless we and the carrier are notified in writing within 15 days of despatch.

We will pay the carriage (goods rates) in Great Britain within ANC free delivery area on consignments to the net value of £175 and over for UK mainland and the Channel Islands. The Buyer will be charged carriage on consignments below this value. This includes split deliveries at the request of the Buyer. Orders instructing despatch by other means will be subject to a packing and carriage charge to cover the additional costs. No allowance will be made where the goods are collected from our premises by the Buyer.

STORAGE

If the Buyer fails to take delivery of the goods when they are ready for delivery we may at our option either store them ourselves or have them stored by third parties on such terms as we may in our absolute discretion think fit. In any event cost of storage will then be borne by the Buyer and in so far as the storage is done by us then those costs will be our storage charges current at the time of storage. The cost will be added to and form part of the price.

FORCE MAJEURE

The Seller shall have the right to cancel or delay delivery of or to reduce the amount delivered if it is prevented from or hindered in or delayed in supply of or delivery by normal route or means of delivery, the goods of the description covered by this Contract through any circumstances beyond its control including but limited to strikes, lock-outs, accidents, war, fire, reduction in or unavailability of power at manufacturing plant, break-down of plant or machinery or shortage or unavailability of raw materials from normal sources or routes of supply and such cancellation, delay or reduction shall not give rise to any claims by the Buyer.

GUARANTEE

If during the period 6 months from the date of delivery any part manufactured by us is found on inspection by or for us or have proved defective in material or workmanship under normal use and service and when properly installed and connected we will free of cost repair or if we wish replace such part provided that part is returned carriage paid to us as soon as possible after discovery of the defect. We will not however be liable to repair or replace part if any identification or serial number thereon has been altered, defaced or removed or if any part has been subjected to any misuse, unauthorised repair, replacement, modification or alteration. Without

limiting the generality of the foregoing for the purpose of this Clause normal use and service will not be deemed to have occurred if in our opinion it appears that the goods have after delivery to the Buyer been used or stored in damp or corrosive conditions. Subject as aforesaid we will in no circumstances be liable for any loss or damage of any kind whatsoever whether under the contract or caused directly or indirectly by any defect in material or workmanship or any defect in the goods supplied or by any negligence on our part or the part of any of our servants or agents and all warranties and conditions expressed or implied statutory or otherwise are hereby expressly excluded (except that such exclusion shall not apply to any implied condition that the Seller has or will have the right to sell the goods when the property is to pass). Persons dealing in our goods are in no way our Agents but the Buyer has authority to transfer or make over to any person to whom the goods are sold, let, hired or otherwise disposed of the benefit of the Guarantee which is given by us above. Apart from this the Buyer has no right or authority to bind us in any way or to assume on our behalf any obligation expressed or implied. Any repaired or replaced goods are guaranteed on these terms for the unexpired portion of the 6 months.

RETENTION OF TITLE

Notwithstanding any other Contract Term, risk in the Goods shall pass to the Buyer when the Goods are delivered to the Buyer or its agent.

The property (both legal and equitable) in the Goods shall not pass to the Buyer until the purchase price of the Goods has been paid in full together with payment to the Seller of any sum which is at the date of the contract or may thereafter become due or owing from the Buyer to the Seller.

Until property in the goods has passed to the Buyer or until delivery of the Goods to a third party pursuant to the permission given below, the Buyer will hold the goods in a fiduciary capacity, will not obliterate any identifying mark on the Goods or their packaging and will keep the Goods separate from any other goods.

Prior to the property in the Goods passing to the Buyer the Seller permits the Buyer to deliver the Goods to a third party pursuant to a bona fide and arms-length agreement to re-sell the Goods and allows the Buyer to convert or incorporate the Goods into or mix the Goods with other goods but such liberty will cease upon the termination of the contract.

Where the Seller is unable to determine whether any goods are the Goods the Buyer shall be deemed to have sold all goods of the kind sold by the Seller to the Buyer in the order in which they were invoiced to the Buyer.

The Seller may at any time after payment for the Goods has become due take possession of the Goods (which for the avoidance of doubt will include the right to stop the Goods in transit) and remove them and the Buyer shall be deemed to have granted irrevocable authority to the Seller to enter upon the Buyer's premises or other premises where the Goods may be by its employees or agents to take possession of the Goods and (if necessary) to dismantle the Goods from any thing to which they are attached.

If prior to the expiry of 7 days from the date when the Seller has taken possession of the Goods the Buyer pays all sums then due or owing to the Seller together with the costs of re-taking possession of the Goods, the Seller will re-deliver the Goods to the Buyer at the Buyer's expense. If within 7 days the Buyer fails to pay all sums then due or owing to the Seller, the Seller may re-sell the Goods and shall pay to the Buyer the balance of any sums received upon the re-sale of the Goods after deducting all sums due or owing from the Buyer to the seller and the costs of taking possession of and re-selling the Goods save that if the sums so received by the Seller do not exceed all sums due or owing from the Buyer to the Seller and the costs of taking possession of and re-selling the Goods the Buyer will pay to the Seller any shortfall.

The Seller has the right to maintain an action against the Buyer for the price of the Goods notwithstanding that property in the Goods has not passed.

Nothing in the contract will constitute the Buyer the agent of the Seller in respect of any re-sale of the Goods by the Buyer so as to confer upon a third party rights against the Seller.

TECHNICAL ADVICE

The Seller may at his discretion furnish technical advice to the Buyer relating to goods manufactured or supplied by the Seller or use of them, but on the basis that the same is given at the Buyer's risk and the Seller shall not be liable for any loss damage or claims or whatever nature or howsoever arising there from unless any misrepresentation was made fraudulently nor shall the Buyer be entitled to rescind the Contract.

AEROSPACE

Flexible conduit and accessories are not supplied for Aerospace or Aeronautical applications. We will be pleased to advise specifically on orders notified to us where the customer wishes to use conduit or accessories in such applications.

SPECIFICATION OR DESIGN

Where the Goods are manufactured in accordance with information or drawings supplied by the Buyer or to his design or specification or where standard goods of the Seller are altered in accordance with the Buyer's instructions no guarantee or warranty is given by the Seller as to the practicability, efficiency, safety or otherwise of the Goods (this being without prejudice to any other of the Contract Terms). The Buyer will indemnify and keep the Seller indemnified against all liability incurred by the Seller as a result of:-

- i Such goods infringing any intellectual property right including without prejudice to the generality of the foregoing patents registered designs and copyrights or the provision of any statute, statutory instrument or regulation.
- ii Any impracticability, inefficiency or lack of safety or other defects in the Goods where such defect is due (whether in whole or in part) to faults or omissions in such information drawings design specification or instructions.

No variation in the specification or design of any Goods which in the reasonable opinion of the Seller does not affect the suitability of the Goods for the purpose for which they are supplied by the Seller will constitute a breach of contract or impose upon the Seller any liability whatsoever.

TERMINATION

The contract will terminate immediately upon the happening of any one or more of the following, namely, that the Buyer has had convened a meeting of creditors (whether formal or informal) or has entered into liquidation (whether voluntary or compulsory) or has a receiver, manager, administrator or administrative receiver appointed of its undertaking or any part thereof or a resolution has been passed or a petition presented to any court for the winding-up of the Buyer or for the granting of an administration order in respect of the Buyer or any proceedings have been commenced relating to the insolvency or possible insolvency of the Buyer.

EXPORT

Where the Goods are to be exported to the Buyer:-

- i The Uniform Laws on International Sales Act 1967 shall not apply to the contract.

ii Unless otherwise agreed - payment will be in Pounds Sterling in England - The Buyer will establish and maintain in favour of the Seller an irrevocable letter of credit in English confirmed by a U.K. clearing bank payable on drafts drawn at sight upon presentation to the bank by the Seller of a certified copy of the Seller's invoice. Such letter of credit shall be established at least 30 days prior to anticipated shipment date and shall cover the full price of the Goods (including applicable taxes) and such letter of credit shall be transferable. All bank charges and other expenses in relation to the letter of credit shall be paid by the Buyer.

iii Unless otherwise agreed, the Goods will be sold F.O.B. or C.I.F. at the option of the Seller and the Seller will be under no obligation to give the Buyer notice as specified in Section 32(3) of the Sale of Goods Act 1979.

Where the goods are supplied for export from the United Kingdom the provisions of this clause shall be subject to any special terms agreed in writing by the Buyer and the Seller, apply notwithstanding any other provision of these conditions.

The Buyer shall be responsible for complying with any legislation or regulations governing importation of the Goods into the country or destination and for payment of any duties on them.

RETURN OF GOODS POLICY

Goods returned to Kopex Ltd without our prior authorisation and appropriate documentation will be refused and returned at the Customers expense.

Prior to returning any goods to Kopex Ltd authorisation must be obtained from our Sales Office (phone +44(0)1753-502500 or fax +44 (0)1753 693521.

Authorisation comprises a Reference number and a Returns Note issued by Post or Fax which must be included with the returned goods. This enables goods to be identified, inspected and credited as quickly as possible.

Returned goods must be adequately packaged, particularly if sent by carrier, as those which have been damaged in transit or have become separated and are not actually received will be refused credit.

Part packs and part reels will only be accepted if the goods are faulty.

STOCK CLEANSE POLICY.

Full details on request. No unauthorised returns will be accepted.

GENERAL

We carry on business as Manufacturers of Flexible and Pliable Conduit, Fittings and Accessories. If the Buyer cancels, extends or delays or purports to cancel or extend or delay the contract or any part of it or fails to take delivery of any goods such cancellation extension or delay or failure is calculated to cause disruption to our business and the Buyer will be liable, without prejudice to any of our other rights to claim damages, to indemnify us against any loss damage or claim resulting from such disruption and against any loss damage or expense incurred by us in connection with the manufacture or non-manufacture of the goods including the cost of any material plant or tools used or intended to be used therefore and the cost of labour and other overheads.

We will be entitled to assign sub-contract or sub-let the Contract or any part thereof. Failure by us to enforce any of the Contract Terms will not be construed as waiver of any of our rights hereunder. The Contract made between the Buyer and ourselves will be construed and operate in accordance with English Law. The Buyer hereby submits himself the jurisdiction of the English Courts to which all disputes relating to the contract will be submitted.

Please note that our conduit is measured under light tension at -/+ 2%.

Errors and Omissions Excepted (E + OE).
