

Stick to the best, with the new Self Adhesive Clips.

The new Q-Crimp Self Adhesive Clips
are easy to attach to surfaces, while offering a strong, resistant hold.

Q-CRIMP[®]

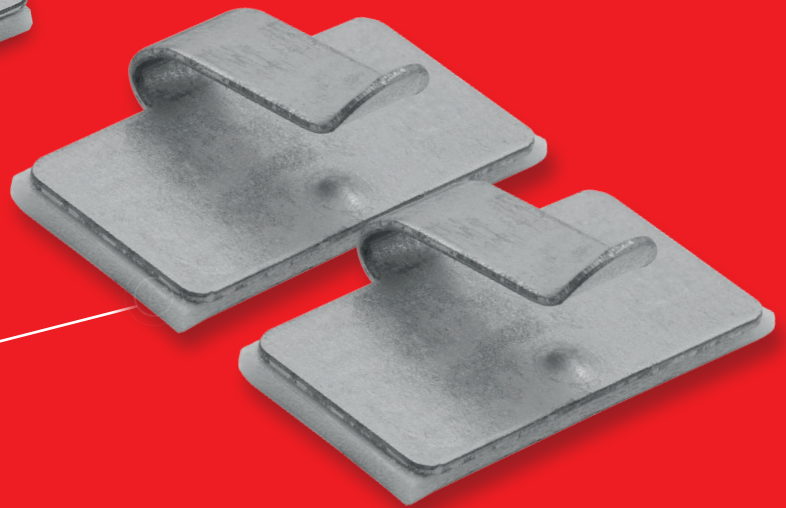

Q-SAC15

SELF-ADHESIVE CLIPS –
19.4MM X 10MM X 15MM LEG LENGTH

Self Adhesive

Save time and money. Just peel the
sticker and apply to the area.

Q-SAC25

SELF-ADHESIVE CLIPS –
25MM X 15MM X 25MM LEG LENGTH

Key Features

- Ideal for use on metal surfaces, engineering bricks, plastics or any flat, clean surface
- Save time and money—no drilling or nailing required
- Minimises dust, sparks, vibrations, noise for increased safety
- Ideal for use where holes on surfaces are not an option
- Adheres to many clean flat surfaces (steel, UPVC, aluminium, glass, RSJs, racking, single skin structures)
