Technical Details

Size and Colour

Dimensions	10.1 cm x 4.57cm x 2.24cm (3.98in x 1.8in x 0.88in)
Available Colours	Black, Interchangeable Faceplates sold separately

Features

Video	1080 HD Live Video, Live View, Night Vision
Motion Detection	Advanced Motion Detection with Customizable Motion Zones
Field of View	155° horizontal, 90° vertical
Audio	Two-way communication with noise cancellation

Power & Connectivity

Power	Hardwired. Requires an existing doorbell system (8-24 VAC , 40VA max, 50/60Hz, or 24VDC, 0.5A, 12W). No halogen or garden-lighting transformers. Only official Ring DC supplies should be used to power this device. Use of any other DC supply will cause damage to your device.
Internet Requirements	Recommended minimum upload speed of 2 Mbps per device
Connectivity	802.11 b/g/n wifi connection @2.4GHz

Installation

Installation Time	~15 min
Operating Conditions	-20°C to 50°C (-5°F to 120°F), Weather resistant
Setup Requirement	Requires you to bypass the existing doorbell chime, which means your existing chime will not sound. To continue hearing audio alerts in your home, pair Video Doorbell Wired with an existing Ring Chime, compatible Alexa device, or select the Video Doorbell Wired + Chime bundle.

General

Box Includes	Video Doorbell Wired, Installation Tools and Screws, Quick Start Guide, Security Sticker
Warranty	One-year limited warranty, and including theft protection. If you are a consumer, the limited warranty is in addition to your consumer rights, and does not jeopardise these rights in any way. This means you may still have additional rights at law even after the limited warranty has expired.
