Hear from Martin, one of our most avid users of the Ring Rewards Programme and learn how you could be earning more with Ring Rewards.

How has the Ring Professional Programme benefited your business?

“After being a ‘Ring Professional’ I can safely say that I am more confident and knowledgeable about all Ring products that are available here in the UK and I can answer customers’ queries and questions about the app/device/plans having built up a general knowledge around all things Ring”

Has the training provided improved your knowledge of Ring products?

“The training and ongoing live up-to-date documents available help support you as an installer.”

What motivated you to sign up to Ring Rewards?

“A feeling of appreciation by Ring to their installers that made them feel part of the Ring team and benefit through the various rewards available when installing”

What motivates you to stay active with Ring Rewards?

“I have found it very rewarding and often look forward to logging each installation and receiving the ‘Claim has been approved’ notification email.”

Do you find Ring Rewards easy to understand and use?

“I was very surprised at how easy it was to log each device installation.”

Have you redeemed any of your Ring Reward points?

“I have received vouchers for various retail, sports and footwear stores also the odd coffee voucher which is always a favourite.”

“

“I would recommend the Ring rewards scheme to every proud keen smart-home installer out there as it celebrates and gifts repeat professional installers”
