

Q-CRIMP®

Versatile Solutions

Now Available In Black

Our cable clips are built to accommodate multiple cable sizes and types while still securing without compromise.

- Self grip design
- Chemical inertness
- Stress crack resistance
- Thick steel nails prevents snapping
- Long nail for good pull out value
- High grade tough polyethylene

Q-CRIMP CABLE CLIPS

QRC8-12B

Look no further! We have a wide range of well stocked Cable Clips. Why go anywhere else?

Q-Crimp Cable Clips are constructed from hard-wearing plastic and incorporate an element to hold the cable in place, often requiring a nail or fixing to attach it to the desired surface.
